

Please consider keeping 106.7 K-LOVE on the air in my community. It is wonderful to have programming that is friendly to my family and myself. I never have to worry about what my children will hear on this programming. It serves our community by reaching people with the gospel of Jesus. You can't find that on many other stations. Please do not replace K-LOVE with the same secular programming that can be found on every other station. Thank you for your time and consideration.
